Core skills

- Java Script
- CSS3
- HTML5
- ASP.NET
- C#
- VB win form application

Work Experience

January 2018 to date - Ricoh SA

Position Onsite Engineer

Reference Mr L Wilson (071 687 8739)

Key responsibilities

- Handle and promptly repair all printer related complaints by customers for major accounts such as Sanlam, Sanlam investments, Santam and Glacier Financial Services.
- Install the printers and configure them on the network.
- Maintain printer by keeping aware of software files such as firmware updates and Java.
- Perform regular maintenance activities on all devices to ensure smooth operation to increase productivity.
- Place orders for replacement of parts required.

Achievements

- Because of my passion and keen interest in Software development, my manager requested I design a website for Ricoh's major account, Inside Data. The website I made is a how to guide/manual. It's hosted on their intranet; users can navigate to different links that show in texts and diagrams on how to use the RPD application. RPD is a print process/management tool.
- I have designed an online website for a blog I'm working on: www.capelanet.co.za

January 2014 to December 2016 - Sunshine Lodge

Position Part time Manager

Reference Mrs S Dweba (071 421 7739)

Key responsibilities

- Provide excellent guest service experiences for clients throughout their stay.
- Monitor daily bookings and ensure assigned rooms are prepared prior check-in
- Coordinate luggage collection and storage.
- Actively listen and resolve customer complaints.
- Examine daily duties, assign tasks, and check on progress.

January 2011 to December 2013 - So What Lounge

Position Barman

Reference Mr P Z Dweba (073 169 5292)

Key responsibilities

- Preparing alcoholic and non-alcoholic drinks for bar and patrons.
- Interacting with customers, taking orders, and serving snacks and drinks
- Sometimes mix ingredients to prepare cocktails.
- Keep restaurant clean
